

# A HOME FOR THE HOLIDAYS

## What is your holiday wish?

Many District residents would like nothing more than to have a home for the holidays.

## Are you able to help?

### LANDLORDS

The District has several programs to partner with housing owners interested in helping their neighbors, both families and individuals, transition from short-term housing and into long-term housing solutions as quickly as possible. Your available, affordable units are needed. To learn more about Mayor Bowser's innovative new strategies which reduce risks by partnering with the District please write, [homefortheholidays@dc.gov](mailto:homefortheholidays@dc.gov).

### COMMUNITY

Many families and individuals exiting homelessness don't have the necessary houseware needed to transform housing into a home. Donations of new or gently-used kitchenware, pots and pans, toys, small appliances and professional clothing will be collected and distributed at locations around the District from November 15 through January 15. For more information, please write [homefortheholidays@dc.gov](mailto:homefortheholidays@dc.gov) or deliver your donations directly to the **Adams Place Day Center at 2210 Adams Place, NE.**
